

FIX IT FIRST

DAVID RODGERS PLAY AREA NEEDS TO HEAR FROM YOU!

We need your input! Seattle Parks and Recreation (SPR) is installing new play equipment and other features at David Rodgers Play Area. Please join Seattle Parks and Recreation's Planner, Project Manager and Landscape Architect at Queen Anne's Halloween on the Avenue to discuss ideas about the new play equipment and grab some treats. This project will replace play equipment, provide access for people with disabilities and improve safety and other features at the park.

SPR in partnership with the Queen Anne Chamber of Commerce will be hosting a pop-up style open house to show design options and hear what you like the most.

The play area is located in David Rodgers Park at 2800 1st Avenue W. 98119. Funding for this park improvement is provided by the Seattle Park District.

**TREATS FOR BOTH ADULTS AND CHILDREN WILL BE AVAILABLE.
